Previously

Sam and Heather, the film crew for the popular television program, 'Strange World', had a perilous encounter in the sewers of New York with a Japanese man who could turn into a humanoid grasshopper – Minami Kotaro.

To investigate a series of strange incidents and awaken Kotaro's lost memories, Strange World's crew rushed to Paris and London in search for clues. Through their encounters, they unknowingly stumbled upon the hidden existence of the evil organisation known as 'Golgom'. To understand the connection between Golgom and Kotaro, they travelled to Kyoto.

They discovered that Kotaro is a modified human engineered by Golgom. What they perceived as a nightmare has become reality, and they arrived in China! What villainous plot awaits them here?

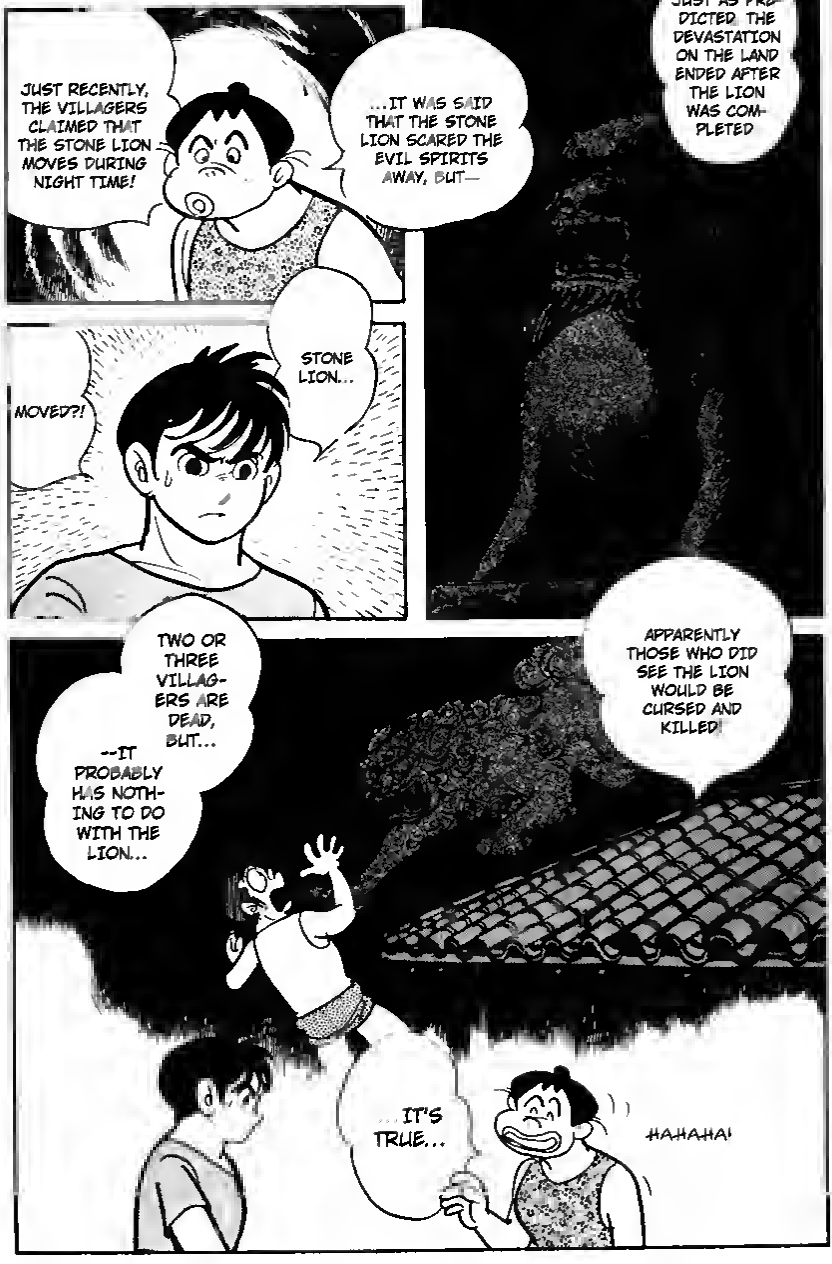
...BACK THEN, THE SHAMAN EXPLAINED THAT—
...LONG AGO, A WICKED FIRE MYSTERIOUSLY RAINED UPON OUR VILLAGE.
OUR CROPS WERE SCORCHED, AND THE VILLAGE WAS RUINED!
...DO WE SCULPT THE TOTEMS WITH STONE?!
YES—DO WILL
WE MUST SCULPT LION TOTEMS TO DESTROY THIS EVIL...!!
THERE'S IMMENSE EVIL LURKING WITHIN THE MOUNTAINS OF YAESE!



JUST RECENTLY, THE VILLAGERS CLAIMED THAT THE STONE LION MOVES DURING NIGHT TIME!
...IT WAS SAID THAT THE STONE LION SCARED THE EVIL SPIRITS AWAY, BUT—
JUST AS PREDICTED, THE DEVASTATION ON THE LAND ENDED AFTER THE LION WAS COMPLETED
MOVED?!
STONE LION...
TWO OR THREE VILLAGERS ARE DEAD, BUT...
--IT PROBABLY HAS NOTHING TO DO WITH THE LION...
APPARENTLY THOSE WHO DID SEE THE LION WOULD BE CURSED AND KILLED!
...IT'S TRUE...

--EVEN SO, HOW COULD A ROCK TOTEM KILL PEOPLE?
HAHA!
THEY WERE BITTEN BY HUNDRED PACERS.. THE AUTOPSY SHOWED THAT THERE WAS INDEED VENOM IDENTICAL TO THE HUNDRED PACER'S...
